# HORNBERGER'S SPRING LIST — 1946

*Wholesale -- NOT Prepaid.*

Quoted F.O.B., Hamburg, N. Y. If wanted by mail, send enough extra postage, we do not advise mail shipments in mid-winter. Terms are cash or part cash and balance C.O.D. We will not list per 5 or 10 quantity, but you can figure this out by adding 20% to the 100 price, and then dividing that total by 10- (5 at 10 rate.) 25 bulbs at 100 rate, 200 bulbs at 1,000 rate, pints and half pints at qt. rates.

If you have an order over \$50.00, send it to me for a special 'Letter' quotation as we must reduce some of our larger items, this year, these are White Gold and Jeanel, as well as Rewi Falla, we have these in large quantities in medium and small, also bulblets in quantity, so this year we prefer to quote direct by letter on your larger orders, and this list will take care of orders under \$50.00.

Our list is late because our printer held up our copy nearly six weeks, then told us he could not print it for another month; this explains our tardiness. Our bulbs are grown in western New York and will be shipped from our Hamburg, N. Y. warehouse, but I have set up a temporary office here in Florida, as I must be here a few months to dispose of some real estate, so if you will send your order to my Florida address we can handle more quickly than if you first sent to Hamburg, and they sent it on here for me to handle.

Let us quote you White Gold in lots of 2,000 to 10,000 of a size, or any other combination. We will also quote JEANEL, as well as Rewi Fallu and others in large quantity combinations of sizes and varieties. JEANEL IS AN IMPROVED, "peach" colored sport of Picardy.

ROYAL GARNET; (R. Haring) 1944. Has been called a 'red Picardy' much like that variety in growth, propagation and habits; a deep intense red, about 50 in. tall, long flower-head, with many 5" florets open. Has been flowered in 62 days, but average will be about 70-75 days. WON 1944, at Wisconsin show, best 1944 new introduction, we are offering bulblets this season and very special prices. Now is the time to buy. Large, \$2.00 each; Ten, \$16.00; 100, \$128.00; MEDIUM Size, \$1.40 each; 10, \$12.00; 100, \$96.00; SMALL; \$1.00 each; 10, \$8.00; 100, \$64.00. BULBLETS, 10 for \$2.00; 100, \$16.00; 1000, \$128.00; SPECIAL OFFER: 10 Large and 100 bulblets, \$24.00; (or) 10 medium and 100 bulblets, \$20.00; (or) 10 large, 10 medium, and 10 small, with 200 select bulblets; for \$50.00 SPRINGTIME; (F.C.H. 1944) Outstanding new sport of Picardy, like Picardy except for coloring, which we describe as 'Appleblossom pink' the 'tip' bloom seem to take on a richer deeper coloring, than other tip bloom of Picardy sports.
